Notes Along The Journey

It is hard to believe that we are already halfway through 2024. This year has been a year full of change, challenges, and opportunities. Quite a few of our churches have already experienced VBS, Youth and Children's Camp, and an uptick in attendance during the first six months of the year.

This month, we will gather at RoEllen Baptist Church for our major Executive Board Meeting where we review our budget for the next Associational year.

On July 9th our EB will join together for a meal at 6 pm followed at 7 pm for a time of reports from various ministries and committees. Each year in July, we also review the proposed Budget for the new Associational year which begins in October. After review in July, the budget is presented in October for a vote by the messengers from our churches at our DBA Annual Meeting. Let me encourage each of you to send your pastor and elected Executive Board member to our July Quarterly Meeting. I believe it will be time well spent for the Lord's work.

Enjoying the Journey,

Dennis R Jones

Your Director of Missions

TBMB Church Revitalization

Traits of a revitalized church

- Lost people will be saved, baptized, and set on the road to discipleship.
- Attendance increases will occur in corporate worship and Bible studies.
- Stewardship patterns will be noticeably improved.
- Members will adopt a more missional lifestyle in their community and around the world.
- Church leadership development will become a priority.
- New 1-5-1 groups will be started, resulting in new church starts.
